Committed to keeping history alive for future generations through collection, preservation, and sharing the heritage of Egg Harbor.

Dear Egg Harbor Property Owner:

On October 22, 2009, more than 25 of your friends and neighbors met to explore the possibility of forming a historical association in Egg Harbor. As a result of that meeting, we are very pleased to announce the formation of the Egg Harbor Historical Society! Volunteering to serve on the first Board of Directors are:

- Myles Dannhausen, Sr President
- Bridget Browning Vice-President
- Helen Curtis Board Member
- Lisa Van Laanan Board Member
- Jim Flinn Board Member

Work is already underway to complete the application for IRS non-profit status as a 501 (c) (3) organization, and to affiliate with the Wisconsin Historical Society. Egg Harbor has a rich and colorful history dating back to July 9, 1861 when the township was split off from the Town of Gibraltar. We were one of the only communities without a group dedicated to celebrating and archiving the community's history. EHHS requested donations of seed money from both the Town and Village boards to help us get launched in 2010. And you have the opportunity to join us as charter members as well! Please become a part of our group, bringing your memories to life and sharing our common love of what makes Egg Harbor, Door County our home.

Yes, I want to be a part of the new Egg Harbor Historical Society. Count me in as a member.
